

Product Recall.

Primula Cheese tubes 150G

Date of recall: 17/06/20

Primula is recalling all their Primula Cheese tubes, due to a potential source of Clostridium botulinum in one of their Primula Cheese tube products. As a precaution, they are recalling all varieties of the product with certain best before dates. No other Primula products are known to be affected.

Product batches affected Best before dates: 25/12/20–28/01/21

Primula Original Cheese Spread 150g tube

Primula Cheese 'n' Chives Spread 150g tube

Primula Cheese 'n' Ham Spread 150g tube

Primula Cheese 'n' Prawns Spread 150g tube

Primula Cheese 'n' Jalapeños Spread 150g tube

There are also other Primula Cheese tubes affected but we've only listed the varieties that are sold at Tesco, which can be returned to us.

What you should do

Do not eat the affected products. If you bought one of the products listed above from us, you can return it to a Tesco store where a full refund will be given. No receipt is required.

Use our store locator to [find your nearest Tesco](#).
