## IMPORTANT

Before you start assembling the product, read the instructions carefully. Follow the order of the steps as shown in the assembly instructions. Keep the instructions in a safe place for later reference.

### Patio Furniture - Metal

- Standing on or misuse of the product may result in damage and injury. Read and follow mfg. assembly and use instructions. Not intended for commercial use.
- Keep all children and pets away from assembly area.
- Children and pets should be supervised when they are in the area of the Chair construction.
- Keep assembly area at least 6 feet from any obstruction such as a fence, garage, house, overhanging branches, laundry line or electrical wires.
- Any assembly or maintenance of the product must be carried out by adults only.
- Some parts may contain sharp edges. Wearing protective gloves is advised.
- Check all bolts for tightness before use. **IMPORTANT** - check and tighten bolts often to keep them secure!
- Steel components for this table are treated with rust inhibiting paint that protects it from rusting. However, due to the nature of steel, surface oxidation (rusting) will occur if these protective coatings are scratched. This is not a defect and thus not covered by the warranty.
- Do not use bleach, acid, or other abrasive cleaners on the roof or frame parts.
- Keep instruction manual for future reference.
- Surface rust can also be easily removed with a very light application of regular cooking oil or WD-40. If surface oxidation (rusting) occurs and if no measure is taken to prevent this, the oxidation may start dripping onto deck or patio and caused damaging stains, which may be difficult to remove. This can be prevented if the above-mentioned measures are taken to keep the product from oxidizing.

**Packaging is made up of materials that can be recycled at municipal collection yards or in collection bins.**

If the product becomes unnecessary in the future or you no longer use it, do not throw it away but dispose of it in an environmentally friendly way. Thoroughly empty the fuel tank and take the residue to a designated collection point. Also take the product itself to the appropriate collection/recycling point. This will enable the plastic and metal parts to be separated and recycled. Contact your municipal or city government for information on disposal options.

We believe that you will be satisfied with our products, and they will become an integral part of your garden.
